ABOUT

I use my knowledge of CSS, JavaScript and React to to build creative and intuitive applications and pages. I apply my strong communication and collaboration skills from my previous experience as a teacher and theatre-maker to be an effective team-member and leader.

SKILLS

HTML5 | CSS3 | Javascript (ES6)
React
Firebase
SASS
JQuery
RESTul APIs
Version Control with Git & GitHub
Responsive Design
PSD Conversion
Paired Programming and Group Development
Web Accessibility

WORK EXPERIENCE

2019-21 — **QKids**
EFL Teacher
Taught English to students based in China between the ages of 3 and 15.

Navigated the challenges of remote teaching and a language barrier.

2019 — **London Oratory School**
Learning Support Assistant
Assisted students with a range of learning barriers and disabilities.

Provided a scaffolding for learning through in-class support and pre-lesson prep sessions.

2019 — **Draughts Hackney**
Server and Games Teacher
Communicated with guests and provided friendly, efficient and organized customer service.

Quickly and clearly taught games to guests.

2018 — **PonyDog Productions**
Dramaturge, performer and writer
Wrote in-fiction materials for the audience to find and investigate as they experienced the show.

Ensured consistency of the text and provided feedback to the lead writer.

PROJECTS

Movie Picker
RESTful API, JS, SASS
A JavaScript APP that allows users to select a movie genre and decade, and find the most popular movies in that genre of that decade.

MU//TH//UR Personnel Terminal
React, Firebase, SASS
Character sheet tracker for the ALIEN Role Playing Game, using firebase to allow users to save and track characters.

Out of Context Movie Spoiler
React, RESTful API, SASS
React-based web app that cross-references two APIs and allows a user to search for a moive and delivers a GIF-based plot summary.
